## Assembly

1. Make stitching on arms with black yarn like it's shown on the photo.

2. Make stitching on feet and legs.

3. Sew on the muzzle and the nose.

4. Pin the ears to the head (between Rnd 5 and Rnd 16), and sew them on keeping them slightly round.

5. Sew one of the patch on the right side of belly and another one near the left ear. Make stitching on the patches with black thread.

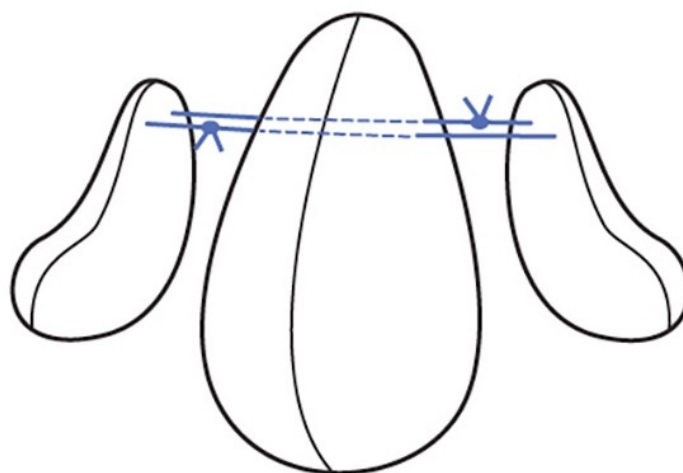

---

6. Make stitching on the left side of the body and on the top of the head.

7. Embroider eyebrows.

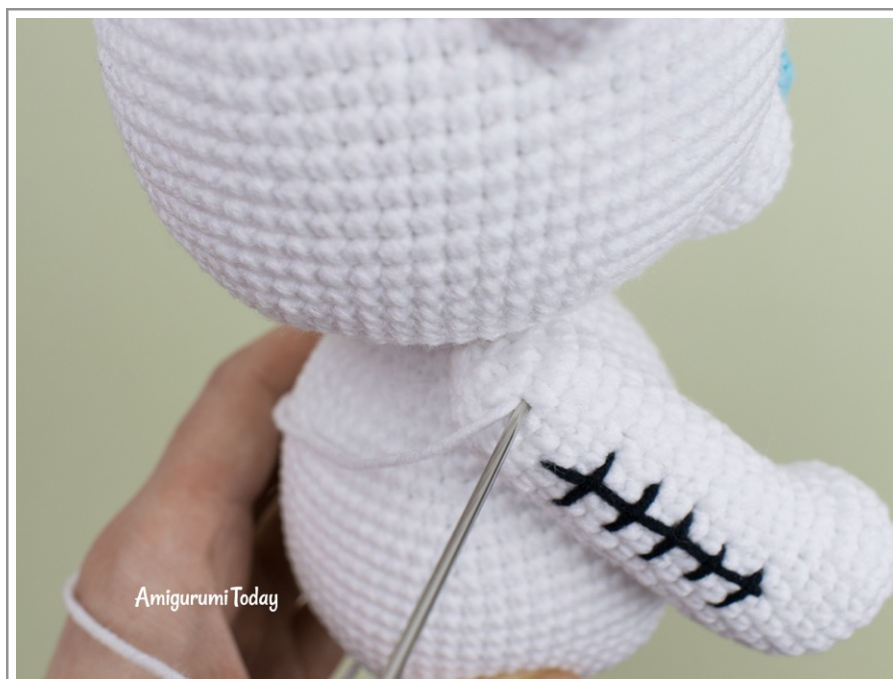

8. Make thread joints for arms.

---

To prevent indents on shoulders, pull out the needle between the loops and carefully insert into the same hole. Make a sufficient number of movements with the needle, pulling the thread firmly.

9. Sew the legs to the body in the same way, pulling the thread firmly, but not allowing excessive tugging.

10. Sew the tail to the body.

Congrats! Your lovely teddy bear is finished!
